

January 2020 VA LS Executive meeting

Linette's report

From ACS

I am starting my last year on the Council Policy Committee and was named as the chair of the Long-Range Planning Committee.

The constitutional amendment to Streamline the ACS Governing Documents was approved by membership and will allow ACS to move quickly to respond to the needs of members.

In response to this there is a petition to Clarify Amendments to the Standing Rules that is up for urgent action at the Spring meeting. It is basically saying that changes to standing rules should be reviewed by C&P before they are put up for vote in front of Council. I am a signatory on this and the hope is that it will keep the standing rules from becoming internally contradictory or ambiguous.

HN Cheng was elected president-elect
Chris Bodurow was reelected District 2 board rep
