

Councilor's Report (Alternate Councilor) or Orlando

Kristine Smetana

Note: Due to my teaching schedule at Longwood, I was not able to perform my Counselor Governance duties on Wed April 3rd so Janet Asper filled in.

My week:

I arrived to attend SOCED on Thursday night and a full-day of meetings on Friday March 29th. I am working on a strategic planning committee in addition to my task force for the High School teacher programming. We had lunch and Dinner with the board of directors.

Saturday I attended my meeting with the DivCHED for the High School teacher programing reviewing successes and things to change for the future with the talk as well as review the great programming for San Diego. We set up the room for the HS teacher program and put the bags and activities together.

Saturday night I attended the LSAC dinner.

Sunday I attended and worked at the High School teacher Program the entire day. That evening I was a presenter for the 144 Honorable mention awards given to the student affiliate groups across the country at the Award Ceremony sponsored by the Education Committee and Green Chemistry.

Monday I attended some open group meetings, and went to a couple of talks that morning.

Tuesday morning I went back to Virginia to teach my classes at Longwood.
