

Councilor report for Orlando ACS meeting – Joe Crockett, Alternate Councilor

At the ACS meeting, I attended the Safety Committee dinner and subcommittee meetings on Saturday evening (Education subcommittee).

On Sunday morning, I attended the open meeting of CCS. At the conclusion of CCS, I went to the Ethics Committee meeting where I sat in on the education subcommittee. At the full committee meeting in the afternoon I served as the liaison between Safety and Ethics (I will be continuing in that capacity at future ACS meetings).

On Sunday afternoon, I attended the District 2 councilor caucus prior to having dinner with our councilors.

On Monday, I attended the exposition and flew home in the afternoon.
