Councilors celebrating milestone anniversaries were acknowledged and thanked for their years of service on Council.
- The Chair of the Committee on Committees (ConC) recognized those chairs rolling off various committees and thanked them for their service. Newly appointed chairs of committees that report to Council were announced to all Councilors and Councilors were reminded of the new online committee preference form that was open over the summer to solicit names of individuals interested in serving on ACS Society Committees.
- On the recommendation of the Committee on Committees, and with the concurrence of the Council Policy Committee, Council approved the continuation of the Committee on Public Relations and Communications (CPRC).

This action helps to clarify, consolidate and re-order existing requirements related to nominations and elections.

Councilor Talking Points and Summary of Governance Issues and Actions

Council Special Discussion

President Wilson introduced and led a special discussion on “ACS for the Future.” She sought Councilor input on positive initiatives, programs or events that would greatly benefit ACS members or ACS at large.

Three specific questions were posed to Councilors for their input and suggestions:

- What can be accomplished to enhance the ACS experience?
- Why (or how) do you think it would make a difference?
- Who would be tasked with leading this effort (e.g. a section, committee, division, or other)?

Councilors provided their ideas and thoughts, and relevant Society units will receive this input within the next several weeks.

Resolutions

The Council passed several resolutions:

- In memory of deceased Councilors: N. Bhushan Mandava, Carol Mosher, and Paul V. Smith
- Congratulating Thomas Connelly for his leadership as Chief Executive Officer of the American Chemical Society for the past eight years
- Expressing thanks to the officers and members of the Chicago Local Section as well as to the divisional program chairs and symposium organizers responsible for the outstanding technical sessions
- Acknowledging Angela Wilson’s service as ACS President and presiding officer of Council
