Friday, September 13th, 2019 from 4:30 PM – 6:00 PM
Temple Building (Room 3309) at Virginia Commonwealth University, Richmond, VA
Submitted By: Julian Bobb, Chair

ACS VIRGINIA MENTORSHIP PROGRAM

- **The YCC received a \$500 ACS Corporation Associates Local Section Grant**
 - The objective of the grant is to fund event(s) to benefit industry members
 - The grant is being leveraged to support our mentorship program activities
- Mentorship Luncheon
 - Scheduled for **Saturdays, September 14th and 21st** at VCU, Department of Chemistry:
 - Talk about goals & core values of the program
 - Team building activities
 - Mentor-Mentee sit-down work plan
- Mentors (14 total) are current and retired industry chemists
- Mentees (14 total) are undergraduate & graduate students, and early career chemists

CHEMISTRY TRIVIA NIGHT AT VIRGINIA COMMONWEALTH UNIVERSITY

- The YCC will host its **2nd Annual Chemistry Trivia Night at VCU** along with the chemistry and medicinal chemistry undergraduate and graduate students
- The trivia night is being planned for **early November 2019**
- The event is being planned in celebration of The International Year of the Periodic Table (IYPT 2019)

Sincerely,
Julian Bobb
